

put an A bill into your...in front of your desk and they say, this is what you have to sign.

SENATOR HABERMAN: Okay, fine, thank you. Another question. Could there be the possibility there would be an error if the bill was changed, like I took out trucks?

SENATOR V. JOHNSON: Yes.

SENATOR HABERMAN: There could be the possibility that being as I took out trucks which removes 80 percent of the problem, that the A bill would go down?

SENATOR V. JOHNSON: Generally speaking, I have found A bills to be higher than I would like. Unfortunately, they are usually accurate.

SENATOR CARSTEN: Thank you, Senator Haberman. The question now is the advancement of LB 219A. All those in favor vote aye, those opposed will vote no. Have you all voted? We will give 30 seconds to vote. All of those who have not voted, please do or we are going to call. Fifteen seconds. Senator Haberman.

SENATOR HABERMAN: Call of the house and take call in votes.

SENATOR CARSTEN: Call of the house has been requested. The question is, shall the house go under call? All those in favor vote aye, those opposed vote no. Record, Mr. Clerk.

CLERK: 15 ayes, 1 nay to go under call.

SENATOR CARSTEN: The house is under call. All those in the
